

Overnight Trip Policy for Seminole High School

School trips are a privilege and all students are expected to behave in a manner that best represents the school, the district, and the student. A school administrator will be called immediately in cases of inappropriate behavior. Abuses of this policy may result in the student being sent home at the parents' expense and/or ineligibility for future school trips.

In order that everyone may receive maximum benefits from participation on school trips, district policies for behavior at school will be enforced at all times during trips. In other words, if it is not allowed at school, it is not allowed on a school trip. Those policies are outlined in the Seminole Independent School District Student Code of Conduct.

Prior to departure, trip sponsors will provide the appropriate administrator with an expected itinerary, a student list, hotel information (name, address, phone numbers), and sponsors' cell phone numbers.
